*Students will not attend school on Professional Development Days.

#Five snow days have been built into the calendar. If not needed as make-up days, they will be used as school holidays. If up to three (3) additional days are needed, they will be added at the end of the school year. Any additional days above the 3 days will be made up by adding time to existing school days. Seventy-two minutes for five days will equal one day. Professional development days will be rescheduled after completion of all make-up days.

August 1, 2, & 3 are flex days for approved off-site/summer professional development.

Total student instructional days = 178

Total teacher days = 190 (includes 178 days of instruction, 2 parent-teacher conference days [3:30-6:30 on 4 days], and 10 professional development days)
