When preparing for a trip you must fill out a Travel Request Form to see if the van will be available for the dates you need it. The form will have to be filled out and turned in to the office for approval. It will then go to Mr. Barber to see if there is a van available for that day. If there is a van available you will be notified, if it is not available you will be able to take your own vehicle and be reimbursed mileage. If you decide to take your own vehicle and the van IS available you will NOT be reimbursed.
